

U.S. HEMP & OIL

Farmer/Grower Information Sheet and Flowchart

USHO enables Florida farmers, and others around the country, to maximize the profitability of their crops by providing a top-quality, fully certified processing facility that advocates for the small and large-scale growers by offering a fair market price for their harvest. U.S. Hemp and Oil is a hemp extraction company specializing in CBD and other cannabinoids. U.S. Hemp and Oil follows all state and federal guidelines for the hemp industry.
